WICHITA, KANSAS, SATURDAY MORNING, AUGUST 2, 1884.

HEALTH CRANKS.

Asiatic Cholera Already

Western Europe.

TO GODLINES. The editor of the Eagle is not running this city government by a long shot. If he who thought, or at least gave the impreswas things would go very differently in many respects. Not are we responsible for its sanitary condition. But we are responsible for its sanitary condition. But we are responsible for its sanitary condition. sible to some extent for the language put heat was called, Jimmy gave his driver the into the mouth of Dr. McAdams, the health officer of the city. In response to complaints of the Eagle and complaints made of the complaints made of the complaints of the Eagle and complaints made of the complaints made of the complaints of the Eagle and complaints made of the complaints of the Eagle and complaints made of the complaints of the Called, Jimmy gave his driver the wink and off the animals sped. For a short distance the horses kept well together, but it was only for a short distance. through it, Dr. McAdams made a thorough examination of the city. Of this work he made no formal or written report, but meeting us on the street, he gave us in the course of conversation the result of his observations. and conclusions. What the EAGLE contained next morning was our own language and Dr. McAdams is in no wise re-

sponsible for it, but as to the ideas conveved we doubt not his endorsement. Upon our own motion and in order to stop the deluge of communications, we suggest about the best thing for all hands to do is to clean up. Sitting around and berating the city government, or writing berating the city government, or writing of Douglas avenue. Mr. Kassel and his long communications to the Eagle will wife went out for a drive after supper, and not head off the choiera or any other discase. The city government hasn't got very found that about a dozen couples of their much money, but will probably do what it can, but, it couldn't put things in the exact and were having a good time. On inquiry tion of the Spanish fever into this house of the Piattsburg Dock comsire it they had five times the money they as to why they had been thus honored Mr. state from the south, where those cathave. Again we say clean up. While the contracted it, and the Kansas with the freight therein. A number have. Again we say clean up.
